

## **Nen Lessons Form**

**This form is used to document communication and ideas for the Tsilhqot'in Nen team. It is meant to be a place to record lessons learned and allow for best practices as the plan to plan takes shape.**

Effective October 18, 2022. Below lists the nodes present on this form and the page where they exist.

<b>Available Nodes</b>	<b>Page it will appear on the Notification Form, and Rank on that Page</b>
Parent Submission	1-2
Submission Name	1-1
Content Node	1-4
Attachments	1-5
Load Shape Files	1-6
Permissions	1-7
Email Notification	1-8
Submission Control	1-9

Columns B & C within the table below represent what will be displayed on the TNG Portal website when you display the "Nen Lessons Learned Form". Column A is used by administration to build the form because it identifies the type of field. This information is not relevant to the average Portal user. Column D identifies whether or not the answer is required to be part of the shapefile, and identifies which attribute name it is in the shapefile.

Form Name: **Nen Lessons 2022-Oct-01**

A	B	C	D
<b>Field Type</b>	<b>Question:</b>	<b>Description of content field expectations</b>	<b>Shapefile Field</b>
Heading	Please note: This form is only to be used by the TNG Nen Team Members to communicate and share ideas regarding Nen Planning to build a database of lessons learned in the process of planning to plan.		n/a
Textbox	Nen Team Member	Name of Nen Team Member who is responsible for this submission (May be different then the submitter)	n/a
HTML Editor	Description of lesson learned, idea or communication	What is the lesson learned, idea or communication you wish to share. Can also include attached documents for more detailed description if necessary	n/a
Checkboxes	Community Names ( Esdilagh, Tl'etinqox, Tl'esqox, Tsideldel, Xenj, Yunesit'in)	Select community of origin for this lesson, idea, or communication	n/a
